Dear Jim,

A review by the PSO of Spare Parts Lists 3, 4, 52, 53 and 54 to Contracts FH-7321 and FH-7322 indicate minor changes as follows:

<u>List No.</u>	<u>Item No.</u>	<u>DCN Ref.No.</u>	<u>Change</u>
(a) 3	31000, 39000	E65-112	P/N's 931410-1 and 931411-1 replaced by one each 933162
(b) 4	507110-5	E66-124	Quantity increased from 1 to 4
(c) 4	222	E65-126	Item deleted
(d) 52	12590	E65-32	Quantity increased from 2 to 4
(e) 53	2590	-	Item deleted and replaced by item in DCN 65-32
(f) 54	650000	-	Quantity is 1 rather than 2.

As discussed in telecall of 24 May 1966, there will be no change in the lists at the present time due to the above, but all changes will be accumulated and incorporated by Supplement at a later time.

Yours truly,

Chuck W.
